

**DORSET & WILTSHIRE
FIRE AND RESCUE**

Keep your escape clear

If you live in a flat or in a building with a shared stairway or corridor remember to keep them clear. If there is a fire this is your way to escape.

If you find clutter in your corridors talk to your neighbours about it. If you are unable to find a solution between yourselves discuss it with your landlord or management agency.

If you still have concerns you can contact us in confidence on 01722 691717 (Monday to Friday, 9:00 – 17:00) to be put through to your local fire safety team. Or alternatively email enforcement@dwfire.org.uk
